• **LOCAL FUNKY NATURAL WINES**

A funky wine is an attractive, authentic, with some flaws, but original and out of the schemes wine. Federico Almondo will lead a tasting of 4 different wines and a semi-serious chat on the alternative wines from Piedmont, to learn how they are produced, how to taste and how to appreciate them.

• **FERMENTING**

Mother yeast sourdough and surroundings.

• **UNISG STUDENTS ON WILD HERBS**

UNISG students will take you foraging herbs, flowers and anything that can be picked in the garden and immediately eaten.
